Hey [REDACTED] I have a pretty full plate today, don't have time for a call. Does tomorrow work for you?

□ 8/14, 2:06pm

[REDACTED] yes - i'm available you know my cell and if i don't get it then i'll call back or just hit me back, you have a time in mind

Dude, this is way too hot. I don't want to drag you into something legal, if there's somebody else who wants to contact me in your family or on your dad's side, you can have them contact me.

□ 8/14, 5:25pm

[REDACTED] Ur not dragging me into anything. I just want to understand where you are at and communicate with them. I don't know who else would be the right person to talk to. I just don't know if anyone can sit there and listen without being biased you know? But trust me I want to stay away as well. But this is important to u and pistol and even me in some ways I guess would it be ok to talk to me or do u insist I arrange something with someone from his side. I could always do that afterwards as well
